

## FESTIVE MENU

Available throughout December

Celebrate the festive season the Greek way by visiting Kuzina,  
a hidden gem in Edinburgh's New Town.

There are similar traditions during the Greek festive season and sitting down at the table with family and friends for a special home cooked Christmas dinner is one of the most important.

At Kuzina, the food is thoughtfully prepared using rich flavours sourced from across Greece that complement the abundance of fresh Scottish meat, fish and vegetables sourced nearby.
